Dear Parents,

Re: School Uniform

Following the meetings that took place last week, a number of comments were made regarding the school uniform, and whether we should adopt a new uniform to be used at both schools.

Our suggestion is that the jumpers, cardigans and girls summer dresses be changed from red OR blue to purple, with a new combined school logo (which we already have on the purple PE t-shirts we use for sports events). If we change to purple, we can either have navy or white polo shirts. Whatever choices are made with regards to polo shirts, we will have a 6 month grace period for pupils to wear out/grow out of existing clothing and change to the agreed colour.

School is prepared to buy each child one jumper or cardigan if we do change the colour. Polo shirts will need to be purchased by parents but they do not need to have any school logo on so can be bought quite cheaply at supermarkets. From September, ties will no longer be part of our uniform at Middleham.

We would like to give parents the choice on the colour change, and would be grateful if you could respond to the various options set out below. We will go with whatever the majority of parents choose, so please have your say!

However, as a helpful reminder for school uniform policy and expectation, we request the following:

- Black shoes – not trainers
- Grey trousers/ skirt/shorts – not leggings or jeans

We have started to see some slip in uniform and would like to halt this decline. We want to be proud of our schools. Please help us by following this dress code.

If you have any questions please don't hesitate to ask.

Kind regards,

Mrs Lindsay Evans  
Executive Headteacher
