

A PLACE TO LEARN, LOVE & GROW

Blessed is the one who trusts in the Lord, whose confidence is in him.
They will be like a tree planted by the water that sends out its roots by the stream.
It does not fear when heat comes; its leaves are always green.
It has no worries in a year of drought and never fails to bear fruit.

Jeremiah 17: 7 - 8

ROOTED IN LOVE

4th February 2022

Dear Parents / Carers

You will be aware the internet hosts many exciting opportunities for education. The online world is a wonderful place for young people to explore, with unprecedented opportunities for learning and creativity, but just like the real world there are risks and dangers they should be aware of and which we should all act to protect them from.

As a parent/carer you play a significant part in ensuring that your children spend their time online safely.

Just a few simple steps taken by you can help keep them safe and give young people the awareness to know what to do if they feel uncomfortable about anything they encounter whilst on the internet.

Net aware is a great website that states age restrictions for any social media apps or games. It also lists key points about what you need to know to keep your child safe, including guidance on TikTok, Fortnite and Instagram.

www.net-aware.org.uk

The Police are attending school on **11th Feb** to conduct a presentation to the children about keeping themselves safe on the internet.

If you do have any questions don't hesitate to email me.

Regards
