

Homework Oak Class Spring 2023

<p>Volcano art.</p>  <p>Make a volcano art picture using any material you wish.</p>	<p>Make a maths natural disaster board game with rules. (collect template from school or design your own.)</p> 		<p>Memory Jar</p>  <p>Decorate a jar and fill it with all your memories from 2022!</p>	<p>Imagine you are a doctor or volunteer rescuer being sent to work in an earthquake torn country. Make a list of items you would take.</p> 	<p>Write a set of instructions to tell people what to do if an earthquake or disaster strikes.</p> 
<p>Make a Tornado in a jar! Ask for the instructions.</p> 	<p>Imagine a disaster has struck your local area. It may be a tornado, a drought or an earthquake. Write a report about what happened. Make sure you use lots of dramatic vocabulary!</p> 		<p>Be creative and make your own tsunami wave. Use paint, paper, pencils.</p> 	<p>Find out about a natural disaster (Newsround/National Geographic) and present a fact sheet or poster. This may be anywhere in the world.</p> 	<p>Write a poem about a volcano erupting or hurricane/tornado. Make it dramatic!</p> 
<p>Make colourful rain clouds! Ask for the instructions.</p> 	 <p>Can you make a cake to look like a volcano?</p>	<p>Go for a long walk and look for signs of Spring! Draw, describe or photograph what you have found.</p>	<p>Watch some weather reports on the news and write your own scripted weather report for the Yorkshire Dales! You could make it funny!</p> 	<p>Create a colourful poster of new year hopes, dreams and goals!</p>	 <p>Create an 'Earthquake in a shoebox'. Make models of destroyed buildings and cracked roads.</p>
